1. Introduction

Beloved Family of God in the Americas, the Lord encourages you to prayerfully study, understand and use this proclamation of ***A Day of Doom in America*** to survive in God's abundance

The Lord God Almighty gave this Proclamation to his United States of America and family of God in the Americas around 7 am e. s. t. on Tuesday November 4th a. d. 2008 - **Before** Barack Hussein Obama was elected by the people of the USA as their President late that night

A Day of Doom in America Proclamation plainly states that the Lord God Almighty has run out of patience and mercy with his United States of America and ***it is doomed as a nation!***

God continues to extend his mercy to the individuals in the USA - throughout his Americas and in his world - To those who listen to him and obey him to ***Be Saved*** (survive) - ***Be Sanctified*** (empowered of God) and ***Be Baptized by God in Christ*** in full communion and communication with God daily

These are God's full-faith believers - God's beloved family

By receiving this ***A Day of Doom in America Proclamation*** as a ***Message of Mercy*** - God indicates to you and yours that he still counts you in ***his family of God - if you obey him only!***

Beloved Family of God in the Americas, you are earnestly encouraged to ***SEEK GOD DAILY*** and ***DIRECTLY for yourself!*** ***You can only do this by reading and hearing his word in FULL FAITH and ASKING GOD HOW TO LIVE IT IN YOUR LIFE ... EVERY DAY!***

I continue to pray for ***the full salvation, sanctification and baptism*** of you, your household, business and circle of religious influence

your servant, hendrickus of Ourplace

3. In Summary

Beloved Member of God's Family in the Americas

Hopefully, you and yours have prayerfully read and meditated in this *A Day of Doom in America Proclamation from the Lord God Almighty*
It is for you today ... take it seriously and LIVE

God reiterates herein that his mercy to his United States of America as the world's mightiest nation ever is over as a nation! The USA as a nation under God has become totally full of sin, corruption and evil
Rejecting God - *It is an infamous nation with an evil reputation!*

God is dealing, even this day, with all the deceived leaders of his USA and has established Hillary Rodham Clinton as his next president of his United States of America

She who is possessed of both the *lying evil spirit of enchantment and a Jezebel-Asherah evil spirit of castrating men* will lead God's United States of America as a nation totally to its knees

This will help carry out God's will for his people in his USA, the European Union, the rest of God's world and his Family in the Americas

It will allow the *rebels and mixers* to reap their reward of wickedness and *God's full-faith believers* to reap their reward of righteousness

God in this Message of Mercy - A Day of Doom in America Proclamation still reaches out in his mercy to those individuals who will obey him!

Save yourself America from this perverse world NOW - Before it is also too late for you and yours!!!

2. A Day of Doom in America Proclamation

Tuesday, November 4th a. d. 2008, 7 am eastern standard time

Beloved of God - BE LOVED by God in America!

On this ***Day of Doom in America*** the Lord God Almighty, creator of the universe says to you in America "*You are doomed, you sinful nation, you corrupt and evil people! Your sins drag you down! You have rejected the Lord God Almighty, the holy God of America, and have turned your backs on him*
Why do you keep on rebelling? Do you want to be punished even more?
America your head is already covered with wounds
and your heart and mind are sick"

And this is what the Lord God Almighty is doing to **his sinful nation America** "*Now the Lord, the Almighty Lord, is about to take away from his city and his nation everything and everyone that the people depend on - He is going to take away their food and their water, their heroes and their soldiers, their judges and their prophets, their fortunetellers and their statesmen, their military and civilian leaders their politicians and everyone who uses magic to control events - The Lord will let the people be governed by immature boys - As for my people children are their oppressors and women rule over them - O my people, they who lead you cause you to err and destroy the way of your paths*"

Beloved of God - BE LOVED by God in America today
Now and every day - before it's too late!

In February of 1998, while living near New York City - the Lord God Almighty gave hendrickus ***A Message of Mercy - Be Saved - Be Sanctified - Be Baptized*** - To deliver to his Family in the Americas (North, Central and South America, including the Caribbean)

God's Message of Mercy invites and earnestly exhorts his elect - **This includes you and all of yours** - ***To be fully Saved (survive), be Sanctified (empowered of God) and be Baptized in Christ (be in full communion with God)*** - It is now ten years later and God has been busy fulfilling his ***Message of Mercy***

God's Message of Mercy also **prophesied seven world events** happening **in our lifetime** - The first is that *Hillary Rodham Clinton will officially become the President of the USA* - That does not look like it is happening *on this Day of Doom in America November 4th 2008*

Trust God's word only - For God is merciful

He desires that all be saved, sanctified and baptized in Christ!

God's Message of Mercy also **prophesied an Economic World War** *between the European Union and North America*

(Canada, the USA & Mexico) will follow Hillary's rise to USA President

This *Economic World War* results in **worldwide starvation**

even in America for **the rebels** and **the mixers**

Through these devastating acts of God in his world – God will destroy our present lifestyle, comfort level and psyche of being the rebellious and sinful people, we have become. Look around you O deaf, dumb and blind person - it has been happening to us and all around us increasingly for decades.

Remember World War One and Two, America's defeat in Vietnam, hurricane Andrew, 9/11 in 2001, the USA financial meltdown in 2008 and Hillary Rodham Clinton still scheming to be the USA President

Why do you keep on rebelling against God who loves you - Do you want to be punished even more?

This is what God says to the rebels (totally against God) and the mixers (mix God's truth with their own inclinations) "*These evil people (the rebels and mixers) are doomed What they have done to others will now be done to them*

But to the full-faith believers in Christ God says this "*Say to the righteous that it will be well with them: for they shall eat the fruit of their doings*"

Today and everyday hereafter BE LOVED by God in America! Turn from all of your rebelling and mixture and SEEK GOD EARNESTLY in PRAYER! - *Ask God to forgive you and yours of all of your sins. And ask God what you should NOW be doing with your time, talent and treasure*
God will help you! - Just ask!!! -
